Saint Joseph, MI 49085

Dear Friends:

I am delighted to honor the Twin City Camera Club in St. Joseph as you celebrate your 75th anniversary.

A picture is worth a thousand words, and the art of photography has moved us in many ways since it developed more than 150 years ago. Photography can capture history, share a memory, show a common bond, and allow us to see wonders we never thought imaginable. It can convey human emotion in a way that is sometimes not possible through writing alone. As photography advances and becomes more accessible to everyday citizens, the possibilities will be further expanded.

Because this club seeks to bring the wonders of a lens to its members, I express my heartiest congratulations to you on this milestone anniversary. It is my hope that this club continues in its mission for another 75 years to come.

Sincerely,

Carl Levin
