Not waiting to the last day and the pressure to get something entered, can eliminate errors and since errors do occur, getting entries in early can provide an opportunity and the necessary time to get them corrected.

Members must submit a separate entry e-mail for the Black & White digital slide entries and a separate entry e-mail for the Color digital slide entries

Please double check your entries and all of the required information before sending them. Then attach the images to the entry email and send your entries to: Digital@TwinCityCameraClub.com
